GENERAL SUPPLY CONDITIONS

Information:

RACLAC S.A. reserves the right to market this products in this price list only to authorized resellers .

All sales done by RACLAC S.A. are conditioned and inherent to the acceptance by customers of the clauses mentioned below. For the mentioned fact, all customers should read carefully the commercial supply conditions and, if in doubt Raclac SA, will be available to provide all clarifications.

Orders:

Orders must be sent in writing or email, containing the name and reference of the product, quantity, desired delivery time and payment terms agreed.

If a purchase order does not includes the product reference and size (if applicable), may stay pending until confirmation by the Customer, and delay the process and shipping.

All orders will be processed by order of arrival, until 48 hours (working days), unless desired reference is out of stock, or situations of force majeure, in case of non-compliance with the deadline above, the Customer is informed.

For logistical reasons and costs, the minimum order for validation is the equivalent of 1 pallet.

We only sell complete boxes by article.

Cancellation of orders will only be accepted by Raclac S. A. if it wish so; and if it is accepted, the customer may be subject to charges if Raclac SA checks that obtained losses or expenses inherent to this process.

All orders accepted by Raclac SA, are considered to have been executed in good faith, and without any burden by the client.

Prices / Payments:

The current payment condition it's payment In advance

• Prices shown are net and final.

Prices may be changed by Raclac SA, without any early warning.

To the prices mentioned in the Price list, the legal VAT rate is added (except for intra-community transitions or exportations)

All bank charges related to payments invoices, or other, will be assigned by the customer.

If the payment conditions are not complied, According to the terms, Raclac SA has the right to change the same.

Non-Payment:

In the event of a check issued by the customer, on the date of maturity has no provision, it will have 3 days for resolution, under penalty of being taxed with default interest applied to the legal fee in force, of commercial obligations. This under issuance of respective debit letter of interest and inherent bank costs.

The aforementioned clauses apply to customers who have a preferential payment agreement, and do not settle invoices on the dates mentioned.

Deliveries:

Deliveries of the Rubbergold, Nexderma and Selecure brands will be between 2 to 3 business days after processing the order, except in cases of force majeure, failure of internal labor, carrier failure or bad weather, fires, floods etc.

For all other items, deliveries will be between 3 and 4 business days, after processing the order.

Due to the aforementioned facts, Raclac S. A. declines any liability, therefore you will not accept any imposition of fines or any other benefit to the customer.

Complaints / Returns:

Product returns can only be made by pre-agreement with Raclac, S.A., and provided that duly made official by e-mail. Raclac, S.A. will only analyze the possibility of accepting a return on invoices from the previous three months the date of the return request. In the event of a return acceptance by Raclac, S.A., will be the responsibility of Customer delivery of the product to Raclac, S.A. Only returns accepted at the Raclac, S.A. sales unit (credit card transport), which must be in full compliance, in the original packaging, intact, with the inviolate adhesive tape, and in perfect condition. A check and product validation, once at Raclac, S.A., by the Quality Department, it is mandatory to accept the devolution.

If the goods are returned for the reason of the products have defects or anomalies, or delivery by mistake or lapse, Raclac will assume all expenses related to the transportation and logistics.

If the goods are found to have been returned for reasons unrelated to the aforementioned issues, the customer will be charged all expenses inherent to this process.

The customer will have every right to claim the quality of any product, but such a complaint will only be accepted if you send the following information in writing by e-mail; Batch, Date of manufacture, designation and product reference, and describe which the anomaly that complains about sustainability.

To any claim for lack of material, damage to the merchandise, conformities it is necessary to place on the conveyor guide description of non-compliance, missing quantities or the claim for damage to goods, affected and quantity, as well as inform Raclac of the event within the maximum period 48 H, so that we can immediately compensate the loss, if the complaint is not made in writing on the carrier we do not assume any damage or lack.

Raclac S. A. will annually send to all customers of our database, a satisfaction form of the customer. However, the client can send in writing opinions or information that can be useful to the business partnership.

Documentation / Technical information / Storage:

All products marketed by Raclac S. A. have minimum 6 months of validity after the invoice date, however, in the event of non-compliance with the aforementioned deadline, responsibility of the customer the conference, upon receipt of the material, having a period of 15 days to proceed respective return. After this time Raclac SA reserves the right not to accept the respective return. Will always be technical files or other information inherent documents of each product, whenever it is requested.

Whatever the CAE or corporate purpose of the client, this is always responsible, where you place, sell or use our products, you must also make sure that the product purchased Raclac S. A., is indicated and has technical conditions for the end to which it is intended. For this you will have the documents above mentioned for analysis.

Samples:

Raclac S. A. supplies the necessary samples from any one of our products so that the customer can know the quality at no cost to the customer.

After a first sample shipment of a particular product, a fee of € 3.75 + VAT will be charged (Portugal Continental) to resend it. The samples are shipped in individual parts, not providing boxes complete. If the customer wishes so, we charge the amount product, as well as the respective sizes.

Legal Information:

The Rubbergold, Nexderma and Selecare brands are property of Raclac, S.A., as such it is totally prohibited to use them illegally.

The packaging of our products were designed and conceived especially for ours trademarks, so copying in whole or partial it's totally forbidden

Raclac S. A. allows is customers to advertise and publicity of our products, images and photos, only for promotion and sale purposes.

Customers are expressly prohibited from using, or communicate to third parties that our Rubbergold Brands, Nexderma and Selecare, as their heritage.

• Due to the fact that this business is very specific and is not possible to make a contract for each order / sale, it serves and it is defined that all information / clauses prevail written in this document.

All Raclac SA customers have unequivocal access to all these conditions described, because they are part of our price list. So it's absolutely impossible for any customer to claim that they have ordered something to Raclac SA, without being aware of all these information.

• Is already defined the District Court of Vila Nova de Famalicão to resolve any dispute between Raclac SA and any customer, renouncing any other.

This document was made in good faith, so that there is transparency

and rules between the selling company and the buying company,

so there will be no doubts between the parties, thus having the likelihood of a long and healthy partnership.
